ORDER:-

In the reference 1st read above, the Commissioner & Director of Municipal Administration, A.P.,Vaddeswaram has forwarded a proposal, wherein the Commissioner, Vijayawada Municipal Corporation (VMC) has requested to accord permission in terms of Section 148 (3) of the Municipal Corporations Act, 1955, to allot an alternative site situated in Sy. No.467, Gunadala, Vijayawada, to an extent of 269 sq. yd. to Masjid-E-Kausar, Autonagar, Vijayawada, whose mosque site is fully affected due to widening of existing 80 feet HT Line Road to 100 feet wide road from Ramavarappadu to Pantakaluva Road, Vijayawada, as per Master Plan. The Commissioner, VMC has reported that the proposal was placed before the VMC Council and approved vide Resolution C.R.No.15/2023-24, dated 27.04.2023 resolving to request the Government to issue necessary orders on allotment of alternate site to Mosque committee.

2. The Commissioner, Vijayawada Municipal Corporation, has also reported that the HT line road is a strategically important corridor for decongesting Vijayawada and improving connectivity to key urban, peri-urban nodes. Road formation, started in 2016–17, is almost complete except for the mosque stretch, which remains the only major bottleneck. The road under reference also assumes further importance as it serves as a vital corridor connecting the city to the airport, with Metro rail Corridor work in the tendering stage and a flyover project from Government General Hospital to Nidamanuru proposed to decongest NH Connectivity. Despite extensive negotiations with community leaders, this bottleneck has delayed the project. The mosque committee has now agreed to cooperate, subject to being allotted an alternate site of equal extent at APIIC Colony, Autonagar, Vijayawada.

P.T.O

3. In view of the above circumstances and after careful examination of the matter, Government hereby accords sanction to the Commissioner, Vijayawada Municipal Corporation, in terms of Section 148(3) of the Municipal Corporations Act, 1955, to allot an alternative site situated in Sy. No.467, Gunadala, Vijayawada, to an extent of 269 Sq.yd to Masjid-E-Kausar Committee, Autonagar, Vijayawada, whose mosque site is fully affected due to the widening of the existing 80-feet HT Line Road to a 100-feet wide road from Ramavarappadu to Pantakaluva Road, Vijayawada, as per Master Plan.

4. The Commissioner & Director of Municipal Administration, A.P.,Vaddeswaram / Commissioner, Vijayawada Municipal Corporation, shall take further necessary action in the matter as per rules and procedure in vogue.
